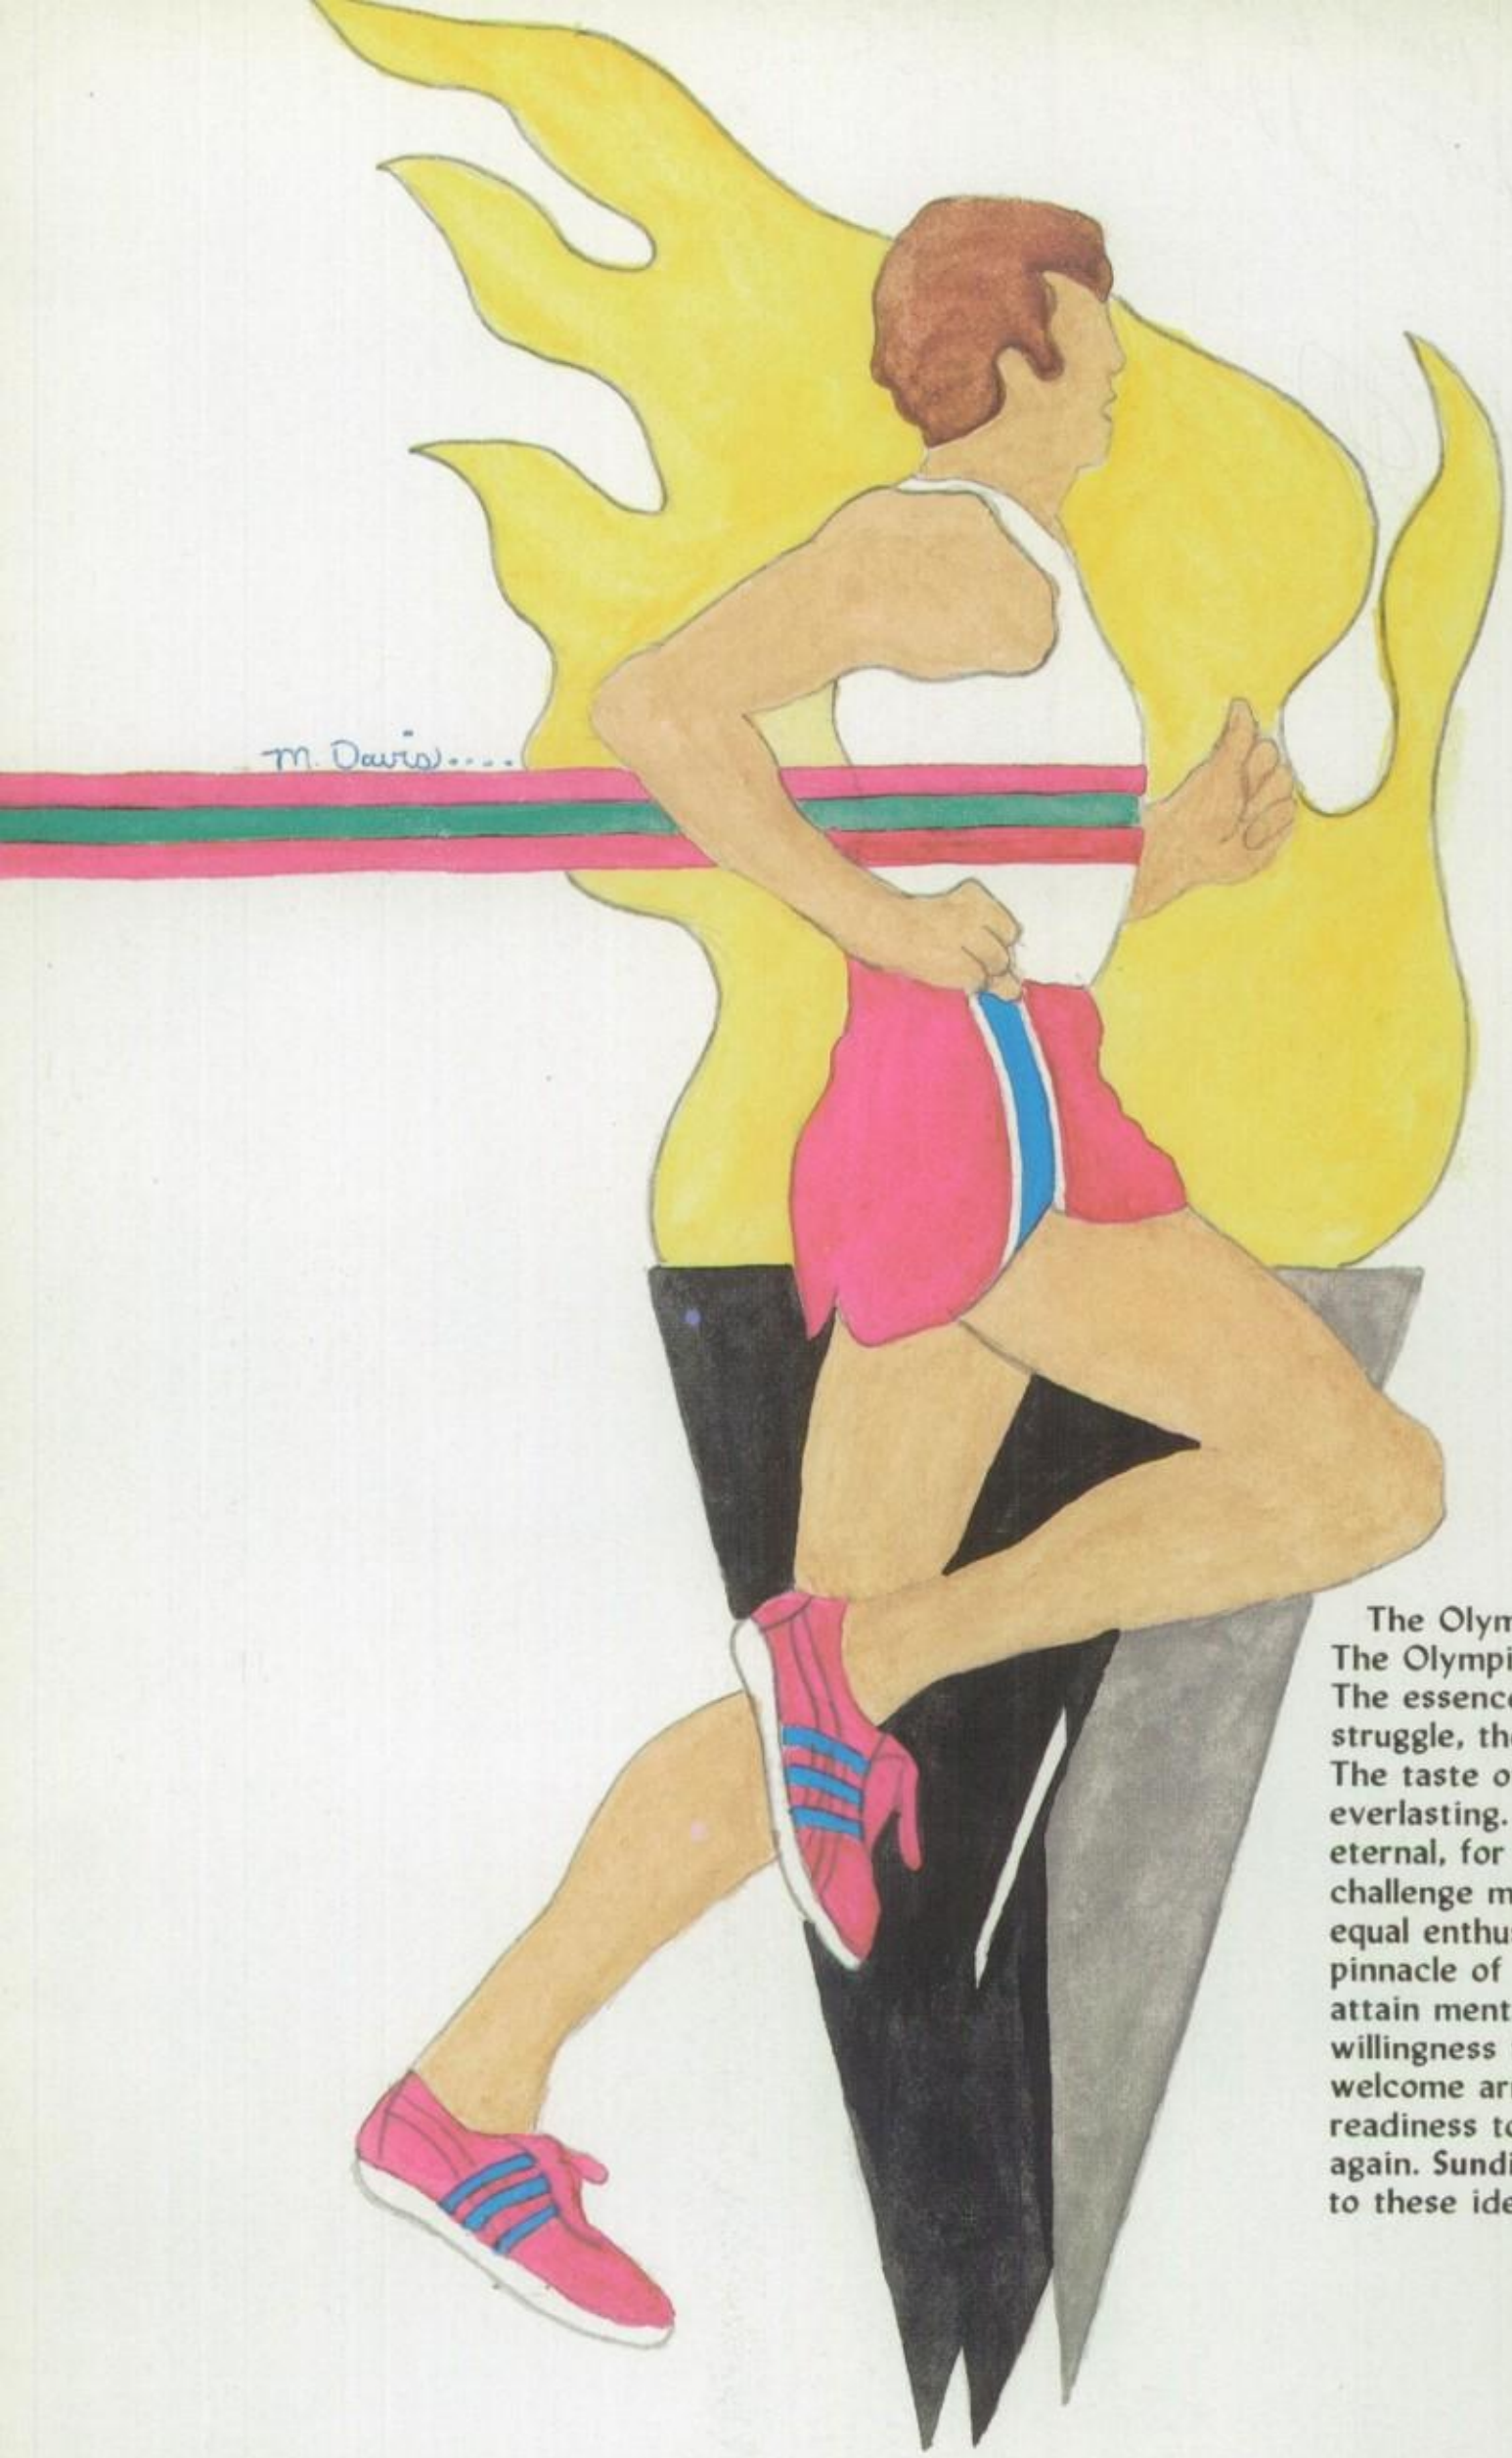
A TOAST TO
1980
WOODBURY SENIORS



The Olympic spirit never dies. The Olympic flame never flickers. The essence of competition, the struggle, the conquest is enduring. The taste of success is everlasting. But no victory is eternal, for each and every challenge must be faced with equal enthusiasm. To achieve the pinnacle of success one must first attain mental awareness, with willingness to accept defeat with welcome arms, but also with readiness to face the challenge again. **Sundial 1980** is dedicated to these ideals.

FACULTY

Board Of Education

Sitting: Dr. Anthony J. DiMarino, Jr., Mary Frances Hallman, Dr. George T. Kokotailo, Dr. Nancy S. Sibert, Charles D. Edgcumbe. **Standing:** Donnell B. Davis, Dr. Claudio E. Arrington, Leo Ivery, Robert B. Catando, Harold R. Lloyd.

Dr. Claudio E. Arrington, Superintendent

The present day Olympics, begun in 1896, were based on the proposition that education and athletics should go hand-in-hand to create improvement in international understanding. This proposition, developing international understanding through athletics, has not always been successful. Since 1936 there have been repeated occurrences of countries boycotting the Olympics. This year, our nation and as many as forty-eight others threaten to boycott the Moscow Olympics because of Russia's invasion of Afghanistan. If the Olympics provide us with a capsulized view of modern civilization, then it is not true that they serve as a good example of what awaits you?

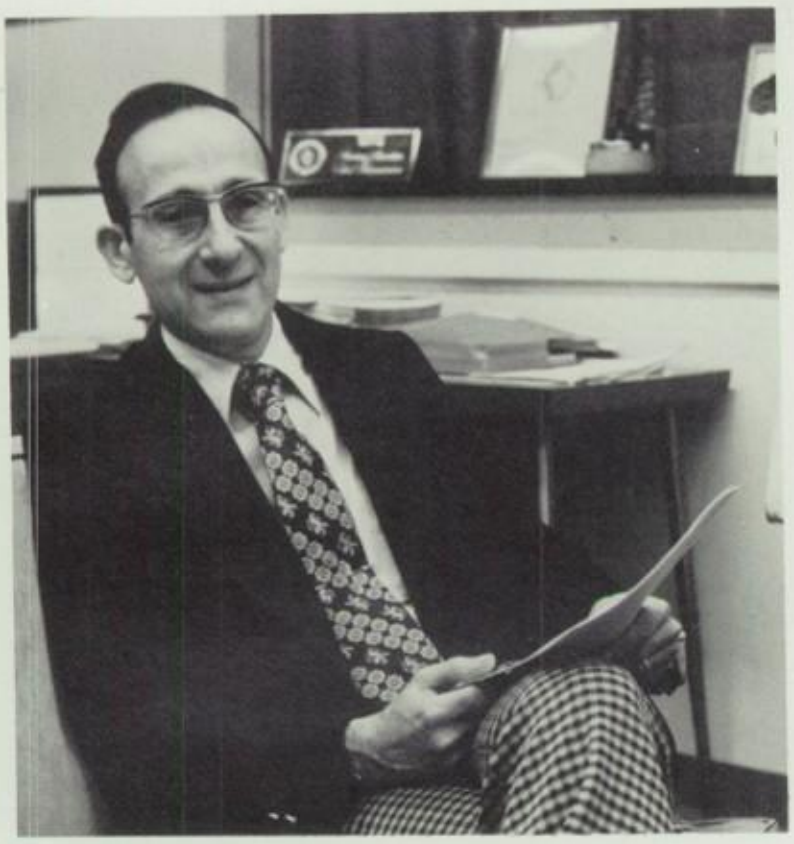
Claudio E. Arrington

The Olympics, which epitomizes the spirit of competition, had their origin with Greeks. The Olympic flame symbolizes dedication, endurance, fair play and honor. We hope that in your Olympiad at Woodbury High you have developed these very same characteristics which will assist you in the achievement of your life's goals. And just as the Olympic athletes cherish their memories of the intensive efforts involved in preparation and participation, you also will hopefully recall with pride the qualities you developed in preparation for participation in life as an active contributor to a better world.

George T. Kokotailo, Board President

R. Craig Barry, Assistant Superintendent

Administration



L. Stephen Russman, Principal

As a mark of respect and honor to the gods and goddesses, whom the ancient Greeks believed dwelt upon Mount Olympus, athletic competitions were held every four years on the plains of Olympia, south of Athens. The best of the athletes from each of the city-states competed after a rigorous selection process. Petty jealousies, differences and on-going wars, continual amongst these states, were put aside for the occasion. A comparison can well be made of the Olympics today. However, a pressing question remains: Can we as civilized and intelligent human beings like the Greeks of old, transcend the biases and animosities of the day and once again dedicate the Olympics to one common God? Can the potential competitor, who endures physical hardships and emotional strain, once again splice the strands of hostility into one strand of international brotherhood? More importantly, why not adopt daily world-wide fraternity and peaceful existence?

L. Stephen Russman

The Olympics were founded on the principles of brotherhood and competition, and have always been a test of will, determination and intestinal fortitude. The size of an individual does not determine whether or not that person will be a winner. A winner is only measured by the size of his/her determination and intestinal fortitude.

Woodbury High School, although small in size, has been a school of winners. You will be leaving Woodbury High School and entering life's great competition. We pray to our God that you continue to possess Woodbury's winning attitude. Like an Olympian athlete, you will meet life's challenges with the attitude of champions and will be measured by the size of your courage and contributions made in making this a better world.

Debate Club

The key issue debated by the club was "U.S. Foreign Trade Policy." The debate team members, under the guidance of Mrs. Tallent and Mrs. Duvall, found the preparation and execution of the debates to require much more self-discipline than they originally anticipated. It was truly a learning experience. It is hoped that the progress made this year will set the ground work for a well-established program in the future.

Joy Volk Crowned Queen Of Homecoming

Jackie McFadden

On the clear, crisp night of October 27, 1979 all on hand were waiting with baited breath for the crowning of that unknown someone who would be this year's Homecoming Queen. Joy Volk soon found out that she was the lucky recipient of this honor. The theme, as performed by the band Amicus, was **Long, Long Time**. This Homecoming Dance will be a lasting memory to all who participated.

Hey, want a date?!

Day

The National Honor Society sponsored its second annual Halloween Day which was a huge success. Students and faculty were invited to participate by coming to school in costume. Haunting masqueraders, showing both originality and imagination, roamed the halls throughout the day. Among those who won cash prizes for winning costumes were Buddy Walker, Jay Atkinson, Stacey Stuart, Lisa Belber and her seven dwarfs, and Chris Ognibene. Fine Arts students also contributed to the spirit of Halloween by painting their ghostly creations on local merchants' windows. Winners, judged on originality and neatness, are shown on these pages.

With many struggles, setbacks, and standstills, we have finally come to completion of the 1980 Sundial. It has not been easy to meet deadlines, crop pictures, draw layouts, and write copy, but we have tried to capture a reliable record of our years at Woodbury High School. We have gained experience and have made new friendships, some of which will be lasting. Putting a yearbook together is one of any high school's most difficult tasks. We sincerely hope you enjoy it through the years.

"Chocolate Krunch" Takes Team To Group I Playoff

Sitting: Carlee Holmes, James Williamson, **Kneeling:** Donald Hancock, Marshall Walker, Jay Atkinson, James Fauconniere, Stephen Fortson, John Mosley, Larry Ognibene, Steve Murray, Thomas Welch, Charles McWilliams, Dennis Washington, 1st row: Mgr. Michael Barnes, Coach Karl Schultz, Coach Larry Ginsburg, Joseph Palimeno, Reginald Moore, Douglas Neal, David Lynch, Christopher Fair, Bruce Catando, Vince DiBernardo, Nicholas Lobascio, David Harvey, Thomas Abbott, Jeffrey Atkinson, Matthew Roncone, Coach Tim Bicknell. 2nd row: Grady Smith, Keith Klohoker, Robert Beck, William Conway, Gus Archut, Lester Brown, Tyler Toth, Christopher Angelastro, Amad Green, Samuel Green, Michael Smith. Missing: Marty Miller, Charles Cauff, Jerry Daniels, Craig Cropper, Willie Adams, Carless Gould, Sydney Roane, Keith Long.

This year our football team had a very impressive season. Our offense, led by quarterback Marty Miller, halfback Doug Neal, and fullback Carlee Holmes, held our opponents to only six points in our first four games. The mighty "Chocolate Krunch" had a 6-3 record putting us into the Group I playoffs against the Palmyra Pals. It was a struggle from the beginning, and the Krunch came up on the wrong side of the score, 43-22. At the end of our regular season, the total points were 57 for our opponents and 195 points for the Herd. Junior Grady Smith was honored three times by being named to the All-Conference and All-County first teams and All-South Jersey's 3rd team. Doug Neal was also commended by being named to the All-Conference 2nd team and the All-County Honorable Mention team.

Woodbury High School organized its first swim team this year. Although the team posted 3 wins and 7 losses in its dual meet competition, there were several great achievements during the season. David Griscom, team captain, won three individual events and broke a long-standing record in the 200-yard freestyle at the Glassboro Games. Kathleen Welch set a 50-yard freestyle record during the same games. David Griscom, Sheri Hack, Meg Magill, Kathleen Welch, and Flo Toy qualified for the State Championship meet. The team will be a part of the South Jersey Conference next year.

This year, for the first time, the cheerleaders formed two individual squads: one for football games and one for basketball games. The J.V. football squad cheered at their own games and also had the privilege of cheering at our Turkey Day game with the Varsity squad. Basketball cheerleaders held fund-raising food raffles at the games. With so many veteran cheerleaders returning next season, the squad will certainly be outstanding.

Girls Capture South Jersey Sectional Championship

This season the Girls' Cross Country team ran their way to Group I South Jersey Sectional Champs. Captain Terry Visalli and Joyce Carter were both awarded 2nd team All-Conference. Juniors Kim Green and Debbie Schappert contributed greatly to the team's success. The whole team showed spirit, pride, and excellent running. The Herdettes fought their way to 3rd place in South Jersey, and also 4th in the State.

Although the Boys' Cross Country Team was not as successful as the Girls', they had a few bright spots. Freshman Mark Singleton was awarded Honorable Mention All-Gloucester County and he placed 2nd in the Sophomore Open. Freshman Seymour Haye placed 9th in the Sophomore Open.

Spirit Not Lacking In Difficult Tennis Year

The 1979 Girls' Tennis team was not an outstanding contender in the conference this year. However, they did not lack spirit. With two juniors supporting the team, they look forward to a better season next year. Judy Henderickson, Lynn Weber, and Florence Toy played singles, while Lorraine Lucas, Sherri Hodges, Diane Craven, and Brenda Kimmel teamed up for doubles.

The soccer team, led by Mark Davis, Mike Sullivan, Dave Ginter, and Dave Griscom, fought its way to a disappointing 7-10-2 season, good enough to earn them 5th place in the conference. Their record was not indicative of their determination and fine play, but they really proved that Woodbury High has character. Senior Class Officers: Treas. Pam Gekas, Pres. Mark Davis, Advisor Mrs. Chester, Vice Pres. Marianne Gill, Sec. Steve Fortson.

Dear classmates and friends,

The four years we have spent together have been years of great accomplishment. Although we started off slowly in our early years, we have proven to ourselves that we could work together and get things done.

The Class of '80 has numerous things to be proud of — academic and athletic excellence, a wonderful yearbook, the Senior car wash, Shangri-La, and Winter Wonderland. More importantly, however, we have been privileged to represent Woodbury High School with an outstanding senior class. We, as officers, are honored to have served as leaders through the good and bad times.

We would especially like to thank our advisors, Mr. Lindinger and Mrs. Chester, for the long hours they have spent working with us and guiding us through our high school years. We appreciate their time and efforts.

We hope that the short time we have spent together has been rewarding and will be remembered fondly in years to come.

The senior doubles team of Mark Davis and Dave Griscom won 8, which is the most wins recorded by a doubles team in previous years. The second doubles team of John Minner and Kevin Outten stayed close behind the first doubles team with 7 impressive victories.

Seniors Frolic In

The Class of '80 visited the picturesque province of Quebec on our senior trip. Our adventure began on March 18, with a 12-hour bus ride through the Adirondacks into Canada.

Our arrival at the Leow's Le Concorde Hotel brought a sigh of relief from a tired group of seniors. However, after a few minutes rest we were off to the toboggan runs where everyone had a good laugh as Mr. Ferguson landed in a bone-chilling slush puddle. Later that evening we dined in the hotel restaurant and watched an instructional ski film. (Mr. Ferguson watched it very intently.)

On Thursday most of us went skiing at Le Relais while the others toured Old Quebec. Watching fellow classmates learning to ski became one of our favorite pasttimes. (Watching Mr. Ferguson learn to ski was even more fun.) That night we went to dinner at a French restaurant. Afterwards we burned off the fattening calories at a Disco dance.

Those of us who weren't black and blue on Friday went skiing at Monte Ste. Anne, home of the World Cup Races. For most of us, getting to the top was much easier than coming back down. On Friday night each of us enjoyed some of the best cuisine in North America as we went our separate ways for dinner in the Old City. Later, the class "got down" to the pulsating beat at a Disco Rollerteque.

The class wakened bleary-eyed but contented Saturday morning and prepared for the arduous journey home.

The Class of 1980 skiied while experiencing a foreign atmosphere. We also learned at the same time that the Quebecois are a very friendly and hospitable as well as interesting people.

"Wonderful Tonight"

"Wonderful Tonight", held at the Dutch Inn on May 16, was the social event of the year for Woodbury's juniors and seniors. We had a sit-down dinner and danced to the music of **Summer Wind**. At 12 midnight Mary Elliott relinquished her throne to Joy Volk, who was crowned by junior class president Jeffrey Smith. Members of Joy's court included Pam Gekas, Regina Lorenzo, Ann Sturgis, and Lynn Weber.

Commencement Exercises

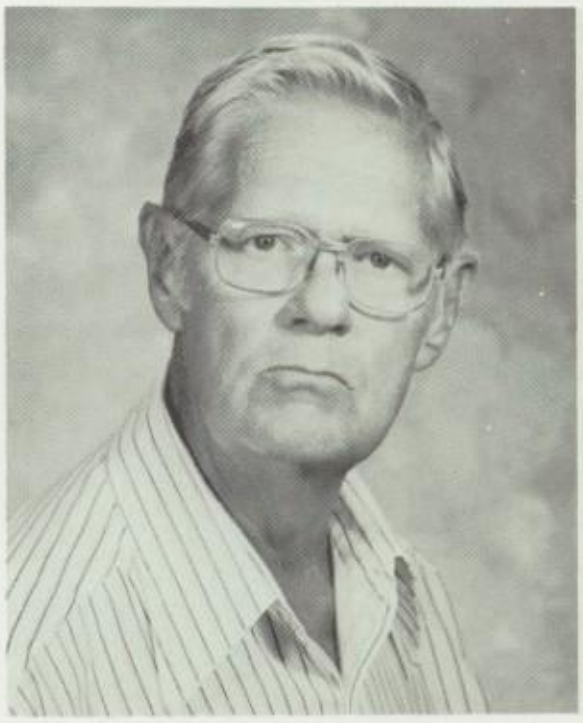
High School Stadium

1980

The Woodbury High School faculty chose Mrs. Margery A. Budniak as "Teacher of the Year." Since her arrival ten years ago, Mrs. Budniak has been involved in many worthwhile school activities. She helped promote Woodbury's first Spirit Week which was an enormous success. We are fortunate to have an outstanding person and teacher like Mrs. Budniak. Congratulations to our Teacher of the Year!



Clifford R. Meeks joined the Woodbury High School teaching staff in 1947 following his army discharge with the rank of 1st Lieutenant.

During his years as chairperson in the Industrial Arts department, Mr. Meeks taught not only students but also adults in the Community Education School. His students have won many awards for their woodwork, which included the building of grandfather clocks, cedar chests, gun racks, and other pieces of furniture.

Students and staff are saddened by the untimely death of Mr. Meeks after his retirement in June. However, he will always be remembered for his dedication to Woodbury High School.

Charles G. Lutz A True Gold Medalist

"Showtime!" — and so each class began whether it was E.M.A., Modern, or Calculutz. The students filling the room smiled. Everyone was prepared to learn Rene Descartes' mathematical method, unafraid to tackle problems solved by geniuses centuries ago. A comfortable feeling pervaded the room. Mr. Lutz, like a familiar blanket, offered a safe haven from the fear of not being able to understand, "Duck soup!"

Tucked between the trigonometric identities were current events, easy ways to remember, Mary Jane questions, and ice cream parties. There was always time to stop and analyze a problem if someone could not grasp the concept. "Remember Mr. Colone's math. Invert and multiply." No one was left behind. Amid all the fun, he worked miracles. We learned — and understood!

Charles Lutz created a legend at Woodbury High School. Both faculty and students admired and respected Mr. Lutz, a first-class individual. His contributions to this school are endless. Many have been touched by his humor and great teaching talent. Our loving memories of this fine person make it possible to smile through our tears of sadness and the burden of our loss.

Charles G. Lutz — a simple man, infinitely talented, and blessed with a rich sense of humor. Those fortunate enough to have know him will carry his memory with them for the rest of their lives.

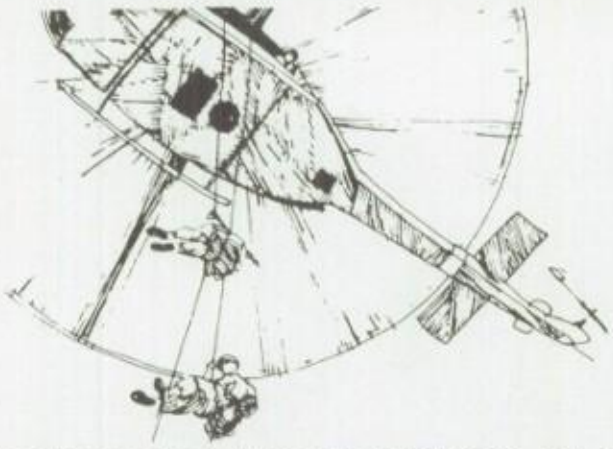
No experience needed.



Even if you don't have any experience, you could still qualify for skill training in today's Army.

That's if you have the proper desire and everything else it takes.

We'll test you to discover your aptitudes. Then if you qualify, we'll give you skill training that fits the Army's needs and your abilities.

In several years, you could come out with plenty of experience in mechanics, construction, radio repair, personnel, communications, or one of several hundred other skills.

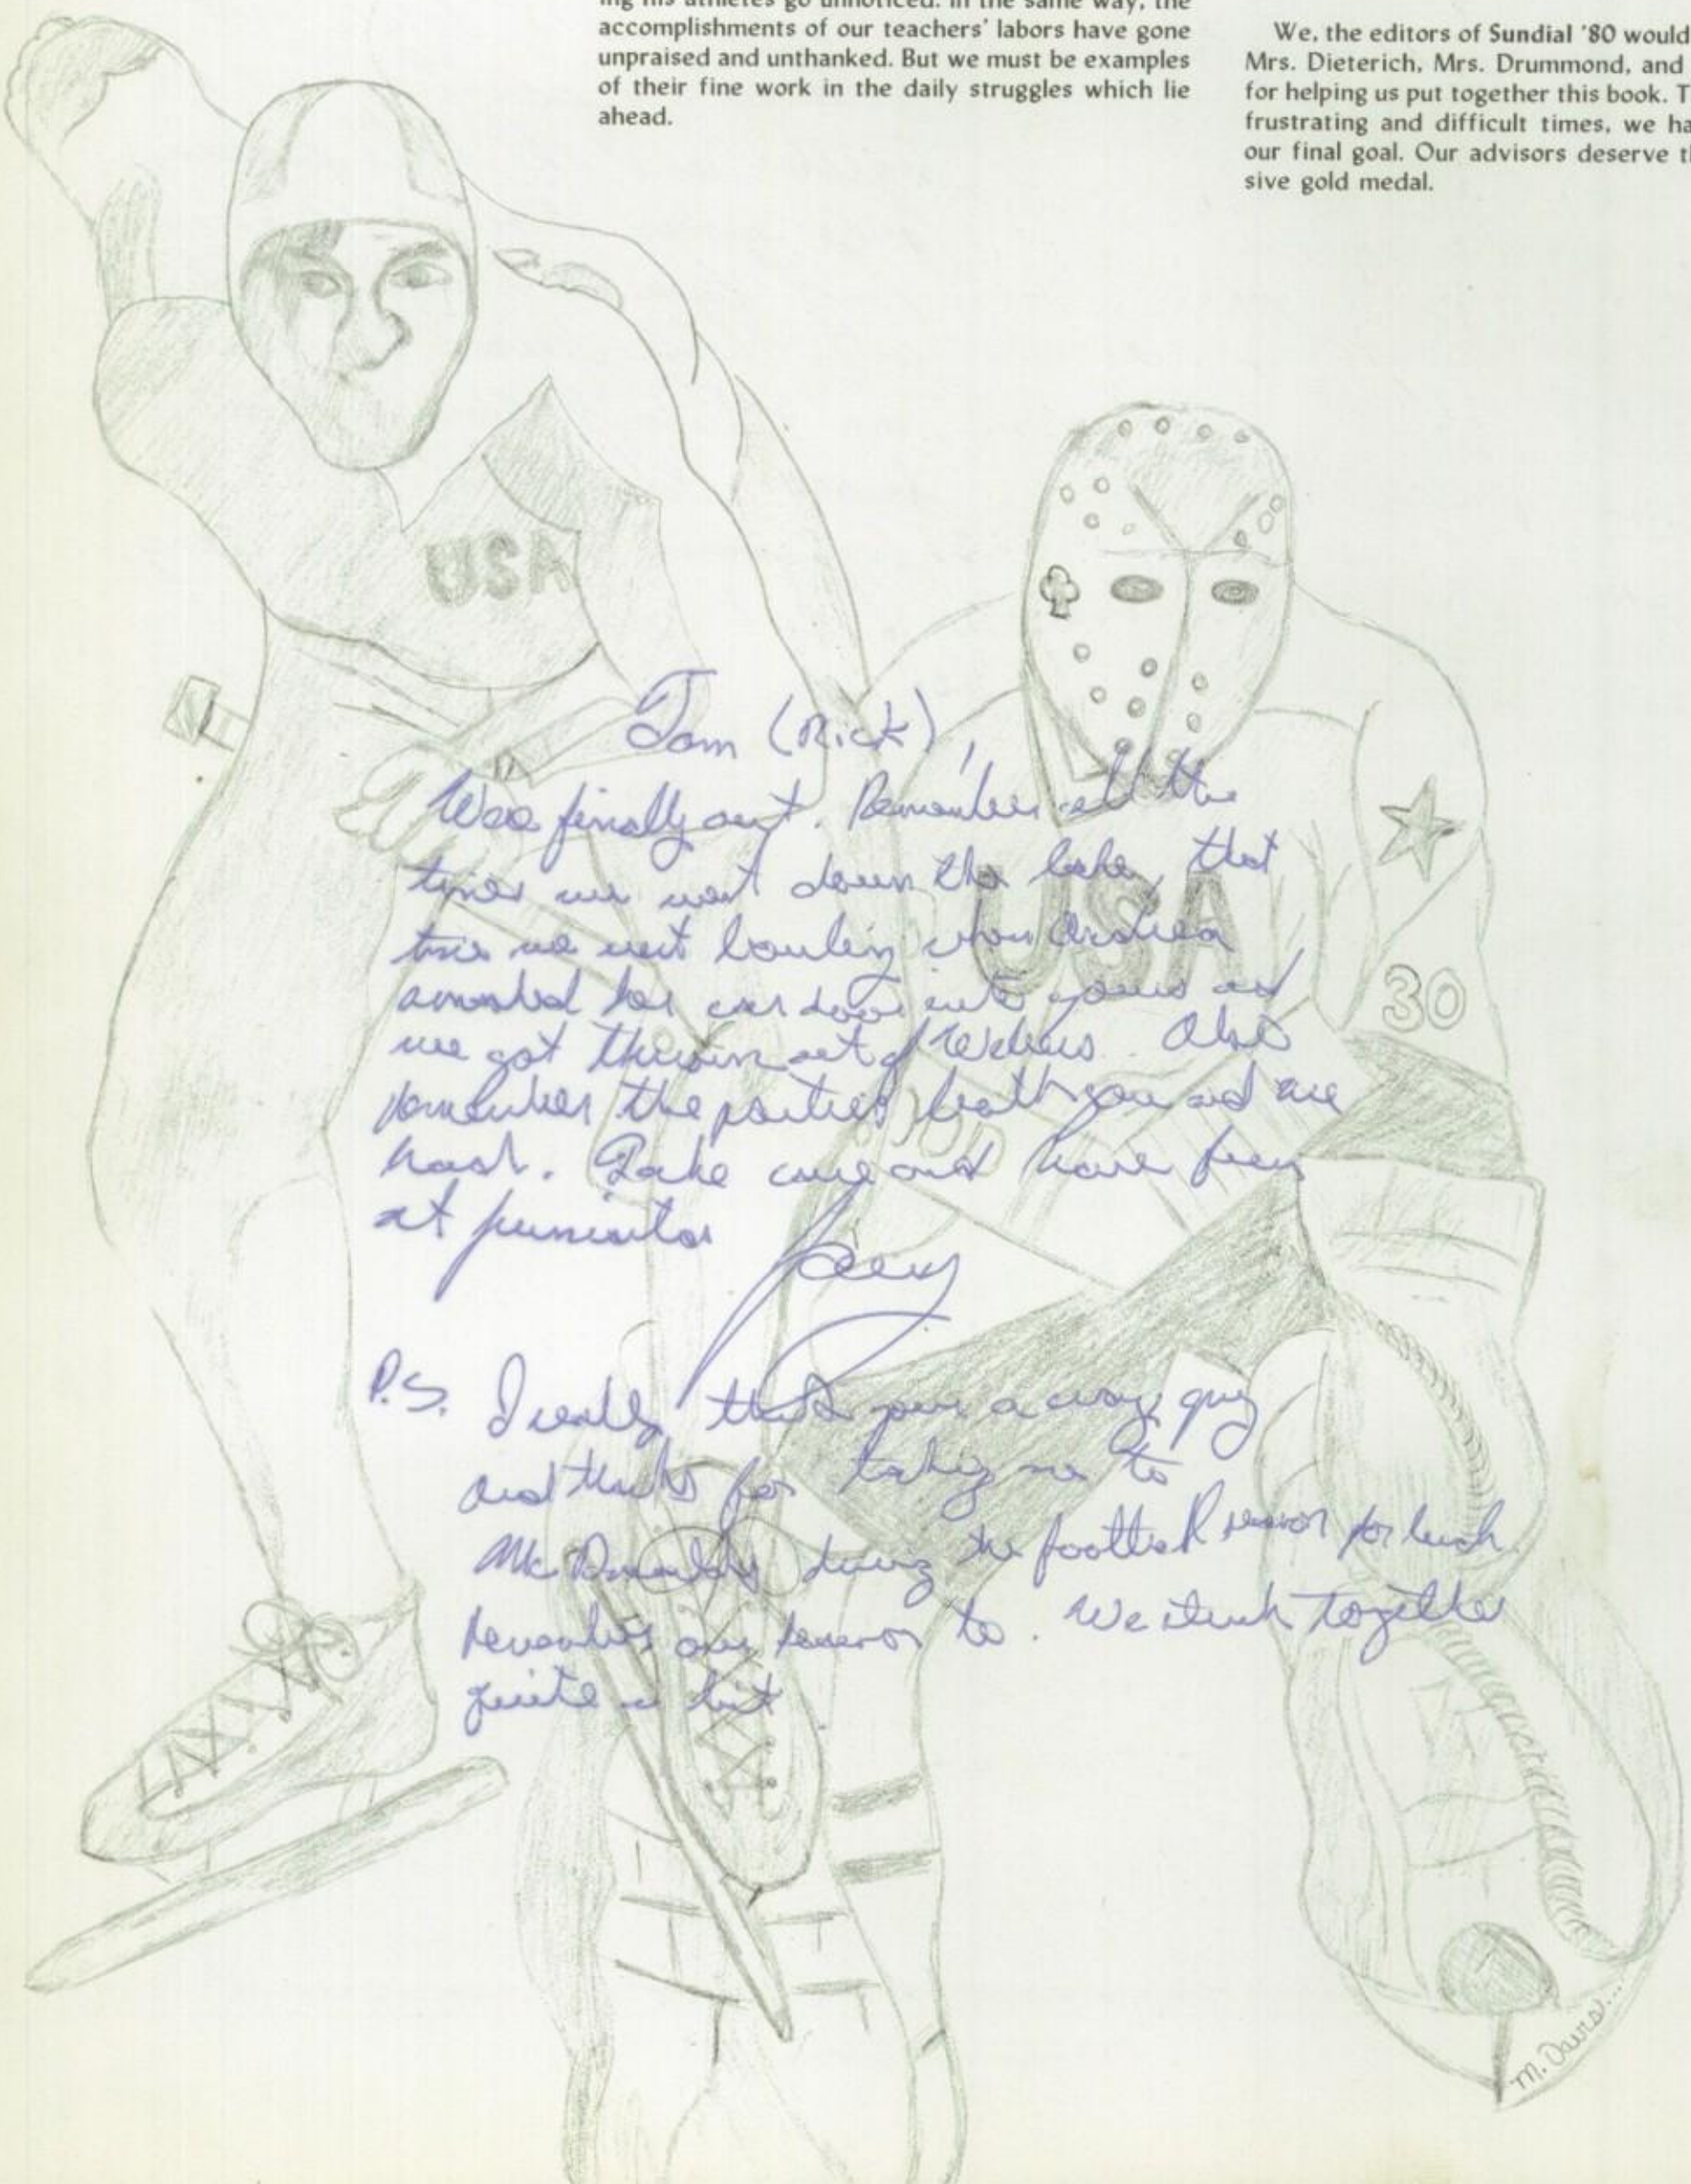
molded into a fine group of Olympians, ready to begin new lives outside the walls of Woodbury High School. Each one of us has poured tremendous effort and determination into attaining his own gold medal — a high school diploma. We had come to compete. And we are now departing, confident in the thought that we have achieved what we, as freshmen, set out to accomplish.

Often the coaches' efforts in training and nurturing his athletes go unnoticed. In the same way, the accomplishments of our teachers' labors have gone unpraised and unthanked. But we must be examples of their fine work in the daily struggles which lie ahead.

the spectacular feat of Eric Heiden's five gold medals in speed skating, and the American ice hockey team's stunning upset victory over the U.S.S.R. for its first gold medal since 1960. Great courage and strength of character was exhibited by Tai Babilonia and Randy Gardner when they had to withdraw from long-awaited competition in pairs skating because of injury. Whether they won, lost, or could not finish the race, these great athletes and individuals have set admirable standards and examples for all to emulate.

We, the editors of **Sundial '80** would like to thank Mrs. Dieterich, Mrs. Drummond, and Mr. Schilling for helping us put together this book. Through many frustrating and difficult times, we have achieved our final goal. Our advisors deserve the often elusive gold medal.



Tom (Rick),
Was finally out. Remember all the
times we went down the lake, that
time we went bowling, when Andrea
crashed her car, and
remember the parties. Keep in touch with you and me
best. Take care and have fun
at Jamestown

Terry

P.S. I really think you're a crazy guy
and thanks for taking me to
Mc Donalds during the football season for lunch
because it was fun to. We drink together
quite a bit

Foooooomm
What can I say. You are
a great person. Remember all
the good times we had together GC high,
drinking in your bed when your
mom and dad were home, and going to
Vermont with the Boys. That was CRAZY!
Keeping all that fear down you are my
friend. Good luck next year at college. You
have to come up a visit me next year at
Green Mountain College. Keep in touch and
anytime you want to party, give me a call.

Your friend,

Lolo

Tom,

I don't know where to begin, there are so many remembers, Swim team (all those practices at 5:30!), those little parties at my house, and Senior Trip. You're a really special person and I know I'll never forget all the good times we've had. Take care and the best of luck in the future!

Love,
Ann

Dear Tom-
It's been great knowing you

Tom,

So you're finally gonna leave us. It's about time! Remember the times we've had - good & bad. Come to think of it - there were no bad times. I'll always remember seeing you at Shop-Rite while I did my shopping. Too bad you can't sing because we could have had some great times together - better than we've had. We'll have to make up for times lots at these Grad parties coming up. Good luck in all you do & Keep in touch! You alien! Love ya, "Stay Young"
Jan
